### Program Rules:

Only new projects are eligible for zPREDICTA's End-of-the-Year Special. Projects where a Statement Of Work (SOW) has been submitted to the client prior to November 1, 2018, are not eligible.

To be eligible for the 15% discount, a purchase order (PO) must be received by zPREDICTA by December 15, 2018.

To be eligible for the 20% discount, full payment must be received by zPREDICTA by December 25, 2018.

Discounts do not apply to the cost of primary cells.

Discounts do not apply to custom model development or custom projects.

zPredicta reserves the sole right to determine project eligibility for the End-of-the-Year Special.
